About Us

A new Village has formed in Gresham, Troutdale, Fairview and Wood Village.

UpRiver Village is a part of a national Village Movement that embraces the strategy of bringing volunteer services to older populations rather than moving those individuals to services.

Our mission is to create a lively and dynamic community that supports those who want to spend as many of their later years as possible in their own homes and in their own neighborhoods.

We value neighbor-toneighbor interdependence among generations.

UpRiver Village has joined Villages NW, a 501(c)3 non-profit organization (see www.villagesnw.org).
Our service area includes Gresham, Troutdale,
Fairview and Wood Village.
